Keywords: Free WebSite Tonight Account

Your free version of WebSite Tonight allows you to create a complete Web site of your own. The free version of Website Tonight includes advertisements on your pages, and you can have up to a 5-page site published to the Internet. You are welcome to upgrade to a paid WebSite Tonight account at any time. The paid version of WebSite Tonight does not include advertisements. In addition, some paid plans allow you to add more pages to your site. For information about upgrading your WebSite Tonight account, see [Can I remove ads on my free WebSite Tonight account?](#). To Set Up a Free WebSite Tonight Account Log in to your [Account Manager](#). In the **My Products** section, click **Free Products List**. In the **Free Product Offers** section, click **WebSite Tonight Accounts**. Click **Use Credit**. In the **Setup Free Account** area, select a domain name from the list. Click **Continue**. Click the **Setup Account** hyperlink. Read the End User License Agreement, and if you accept the terms, click **Accept**. Click **Start Now**. Complete the fields as indicated. For information about setting up your WebSite Tonight account, see [Setting Up WebSite Tonight for the First Time](#).
