When you register a new domain or renew the registration for an existing domain, you receive a credit for a free Online Photo Filer account. This credit can only be used with the domain you registered or renewed. You cannot apply a free credit to a different domain. Your free version of Online Photo Filer allows you to create an online photo album of your own. You can upgrade to a paid Online Photo Filer account at any time. For information about upgrading your Quick Blogcast account, see [Upgrading Your Free Online File Folder Account](#). The paid version of Online Photo Filer does not include advertisements. To Set Up a Free Online Photo Filer Account Log in to your [Account Manager](#). In the **My Products** section, click **Free Products List**. In the **Free Product Offers** section, click **Online Photo Filer**. Click **Use Credit**. In the **Setup Free Account** area, select a domain name from the list. Click **Continue**. Your new account displays in the Online Photo Filer Account list. For information about setting up your account, see [Launching Online Photo Filer for the First Time and Setting Account Information](#).
