

Title: Why am I receiving an error when uploading photos?

Subtitle: Online Photo Filer

Author: Jane83

Date: 2008/3/11

URL: <http://www.powerhoster.com/domainhosting/modules/article/view.article.php/c15/1934>

Keywords: Online Photo filer

You can only upload photo files to Online Photo filer. Supported file types are .JPG, .BMP, .GIF. You will receive an error message if any other file type is uploaded. Renaming any other file type with one of these extensions will result in an error. You may also receive an error message if the photos you want to upload cause the allotted bandwidth of your account to be exceeded.
