The Account Overview in Fax Thru Email provides detailed information about your account and account usage and allows you to access Fax Thru Email features. To edit the information in your account overview, you must edit your Account Settings. Your Account Overview displays the following information: Minutes Used The number of minutes used out of the total number of minutes available. Account Type The Fax Thru Email plan you purchased. User Name Your user name. Email Address Your email address. Fax Number Your fax number. Outgoing The date, number of pages, and the recipient's fax number of the last fax you sent. Incoming The date, number of pages, and the sender's fax number of the last fax you received. From the Account Overview, you can upgrade your Fax Thru Email plan, access information about using the Fax Thru Email program and toll-free numbers, and purchase additional minute packs. **WARNING:** If you cancel, default on payment, or fail to renew your Fax Thru Email account, you cannot open a new account with the same fax number. A new fax number is issued with all new accounts.
