Keywords: Remote Faxing Password

For additional security for your Fax Thru Email messages, you can establish a remote faxing password. To Set a Remote Faxing Password Log in to your [Account Manager](#). In the **My Products** section, click **Fax Thru Email**. On the **Fax Thru Email** page, click **Open** next to the Fax Thru Email account you want to work with. Click **Settings**. In the **Set Remote Faxing ID** area, from the **Enable Remote Faxing ID** list, select **Yes**. In the **Remote Faxing ID** field, enter a password. Click **OK**.
