Keywords: online business card template

Using your Business Registration information, you can create a one-page Web site, using an online business card template. Activation may take up to 24 hours. To Activate Your Online Business Card One-Page Web Site Log in to your [Account Manager](#). In the **My Products** section, click **Business Registration**. Next to the account you want to modify, click **Manage Account**. Click **Next** until you reach the **Finish** tab. Click **Make Online Business Card my one-page Web site**. Click **Finish**.
