Our Microsoft® adCenter credits are a promotional offer, available only to customers within the United States. This is a limited time offer to new advertisers who open a new account with Microsoft adCenter. Promotional credits must be fully redeemed within 90 days of sign-up and do not include the one-time, non-refundable \$5.00 activation fee required to open a new account. You, the advertiser, are responsible for any charges that exceed the promotional credit amount. To avoid charges beyond the free credit amount, or after 90 days from sign-up, you can suspend your advertisements. However, you are welcome to continue your advertisements, with the understanding that you are responsible for any and all further or additional charges. This offer is limited to one per customer and may not be combined with any other offer or discount, redeemed for cash, transferred, sold, or bartered. See the Advertiser Terms and Conditions at sign-up for more details. Other terms and conditions may apply. Search listings are subject to editorial review.
