

Title: Who Receives the Domain Authorization Email Messages?

Subtitle: Certified Domain

Author: Jane83

Date: 2008/2/22

URL: <http://www.powerhoster.com/domainhosting/modules/article/view.article.php/c4/875>

Keywords: Whois lookup

Domain authorization email messages are sent to the domain's registrant and administrative and technical contacts as listed in the Whois lookup. All of the contacts must approve the Certified Domain request in order for POWERHOSTER.COM to issue a Domain Origination Certified seal.
