

Title: How Will Visitors Know That My Domain is a Certified Domain?

Subtitle: Certified Domain

Author: Jane83

Date: 2008/2/22

URL: <http://www.powerhoster.com/domainhosting/modules/article/view.article.php/c4/878>

Keywords: Certified Domain

Once processed and issued, a Domain Origination Certified seal is added to the Whois listing for your domain. In addition, you are provided with HTML code that you can copy and paste into your Web site's source code, so that the Domain Origination Certified seal appears on your site.
